Friends of Dottie's House invites you to tee off at their 12th Annual Golf Classic

Dottie's House is a transitional housing facility designed to aid women and children who have survived domestic violence. We help these families develop the life skills needed to become self-sufficient for their future financial and emotional independence and to end the cycle of violence in their lives.

At Dottie's House, our families have an affordable, safe haven and are further assisted by our on-site staff and support services. Our facility, confidentially located in Ocean County, offers services to 17 families.

Our doors are open because of the kindness and generosity of people like you. Your support of our Annual Golf Classic, now in its 12th year, helps us keep those doors open; all of this enables us to fulfill our goal of helping to change the lives of those who need it most.

Last year, our golf classic was filled with great golf, good food and enormous goodwill, and raised over \$80,000!

We ask you to help us this year by opening your hearts and joining us for what we're sure will be a day to remember.

All the Best,

Carol A. Wolfe
Executive Director
